West Elm Industrial Task Table Lamps

Product description

This recall involves West Elm Industrial Task table lamps with manufacture dates after March 2014. The metal lamps have an on/off switch and an adjustable arm that locks at two angles. The head of the lamp has a tension that allows it to swivel to direct light. Some models have a USB port in the base. The lamps were sold in various colours and are about 84 centimeters (33 inches) tall and 18 centimeters (7 inches) in diameter at the base.

The following products are included in this recall:

Hazard identified

The electrical wire that runs through the lamps can be cut or frayed by the lamp's adjustable joint, posing both an electrical shock hazard and a fire hazard from shorting, sparking, and overheating.

As of December 14, 2017, the company has received no reports of incidents or injuries in Canada.

Number sold

Approximately 2000 units of the affected products were sold at West Elm stores in Canada.

Time period sold

The recalled products were sold from June 2014 to October 2017.

Place of origin

Manufactured in China.
